are our serving principles at all times, everywhere and in every consulting work. With the slogan “Always think for you”, Vietthink is affirming its value by qualified and trusted services that are recognized by the community of enterprises, investors and the whole social.

“ We are determined to build up VIETTHINK to a leading reputed law firm by creating highest and professional standards in consulting activities, as well as increasing service’s value to satisfy all high demand of customers ”

PhD., Lawyer. Le Dinh Vinh
Director of Vietthink Law firm

Was established in 2008, Vietthink was founded to create a Vietnamese law firm integrating and directing toward globalization standards.

Vietthink is the convergence of lawyers being animated by the same sense of purpose, well and intensively trained, with many years' experiences in law practice and having deep knowledge of domestic and international legal system and practices. Besides, Vietthink has supported by top managers, scientists and experts in the legal field, thus, Vietthink is not only able to supply with comprehensive legal consulting solutions but also has the faculty of resolving practical issues and satisfy all desires of clients.

The consulting services and legal assistances of Vietthink include: enterprise, commerce (domestic and international trade), investment, project, M&A, intellectual property, land, banking-finance-securities, insurance, debt sale & purchase, labor, contract, nationality, immigration, adoption, administrative procedure, etc. The strength of our consultancy activities is Project, M&A, Finance & Banking, Intellectual property, Contract and procedures related to investment registration, business licenses. Besides, Vietthink is also well-known by its consulting services on criminal, civil, commercial, administrative, labor mediation and procedures.

Vietthink has been supplying enterprises, groups, state corporations, associations, bank institutions and credit organizations in Vietnam with consultancy services and legal assistances. Also, Vietthink actively connects the foreign investors to the market of Vietnam and also bonds Vietnamese enterprises to oversea investment opportunities. Through our professional-creative-and practical consulting services, Vietthink is efficiently supporting enterprises with human resources management; enhancement of operational efficiency and competitive position in the market. Besides, Vietthink also supplies with consultancy services and legal assistances to domestic organizations, individuals and foreigners who are living and working in Vietnam.

“Professional - Standard - Trustworthy” is the guiding principle of Vietthink in anytime, at everywhere and in every work. With the guideline “Always think for you”, Vietthink has been affirming their trademark's value by the quality of service and the confidence of community of enterprises, investors and the social

VISION

Determined to pursue occupational standards, build sustainable value based on core principle as “all for client’s interests”, Vietthink desires to become a reliable & professional leading law firm in Vietnam

MISSION

Our mission is to ensure the legal safety to enterprises, organization and individuals in all civil transactions, commerce and investment. Vietthink commits to become a dependable partner and legal guardian of all clients

CORE VALUE

- Non-stop creativity based on wisdom;
- Affirmation of specific character in the integration;
- Thinking and acting by Vietnamese brainpower;
- Satisfying clients by standardized and qualified services;
- Building exited, creative and dedicated work environment

Vietthink is permanent legal consultant of more than 20 leading corporations, enterprises in Vietnam. In addition, Vietthink also consults and supports a hundred organizations and individuals in Vietnam and oversea. Also, Vietthink is partner of many associations, agencies, financial & commercial institutes and NGOs in Vietnam.

Our success key proceeds from the philosophy that the development is based on internal resources. Based on the patience of pursuit of HR attracting & training policy, Vietthink has been collecting qualified and distinguished lawyers having high manners in legal & foreign language practice. With extensive knowledge and long-years' experiences in various consulting fields, the dynamic and confident style, Vietthink lawyers are typical representatives of the Vietnam lawyers in the integration age.

Our key is the creativity in consulting activities and the keen intelligence in acquiring the demand and desire of clients. Vietthink lawyers have been trained to penetrate enterprise's opinion in respecting the practice, as well as smoothly combine the legal & practical logic by flexibly recognizing and settling issues. Therefore, consulting solutions given by Vietthink are not framed by a pure legal thinking, but always pursuant to the practice.

Our secret is the continuous research and discovery of new trends in business investment and capacity of predict the trend of policies to propose effective solutions. Being adaptive to any movement to find out opportunities and solutions is the guiding line of our service. The bold breakthroughs in our consulting solutions have always appreciated by clients and that is the main factor creating “Vietthink” brand
