VIETTHINK

— ALWAYS THINK FOR YOU —

In the era of globalization, Intellectual Asset is the key to success of enterprises. Therefore, protection of Intellectual Property (IP) is a vital part of enterprises' business strategy. Protection of IP includes (i) Promulgation of regulations on IP rights; (ii) Issuance of Certificate of protection of IP objects upon meeting protection requirements in accordance with available laws and regulations and (iii) Protection of rights of registered IP objects. In other words, protection of IP rights is to establish and protect rights of the owner of IP objects through legal procedures.

In Vietnam, the need of registration and protection of IP objects is becoming extremely important and necessary. IP protection is a legal safety measure to ensure and increase the value of Intellectual Assets among enterprise community, especially startup enterprises; in the meantime allowance the owners to commercially exploit their IP objects and thus, create the competitive advantage as well as affirm their brands in the market. Ensuring effective enforcement of IP rights is also a pledge of reputation on goods/services and business investment environment in Vietnam in the progress of global integration.

Grasp the demand, Vietthink Law Firm has contributed and provided many Intellectual Property services packages, including (i) General IP consulting services; (ii) Consulting services on procedure and registration of IP objects; (iii) Consulting services on procedure and registration of copyrights and related rights; (iv) Consulting services on commercial exploitation of IP rights; (v) Consulting services on protection of the owner's IP rights, etc.

The above-mentioned service packages are provided not only in Vietnam but also in many countries all over the world, e.g. Laos, Cambodia, Myanmar, China, Thailand, Singapore, Hong Kong, Japan, Taiwan, Korea, India, Philippines, Malaysia, Indonesia, France, Great Britain, Finland, Germany, Belgium, Cyprus, Denmark, Hungary, Romania, Italy, Sweden, Slovakia, Portugal, Egypt, the United States of America, Brazil, Argentina, Canada, Mexico, Ecuador, Chile, Australia, South Africa, United Arab Emirates, Pakistan, Arab Saudi, Turkey, Kuwait, Uzbekistan, etc.

With a strong team of lawyers based on more than 10-year experience in the field of legal consulting in general and IP in particular as well as ability to quickly adapt the changes of IP regulations in Vietnam and global, Vietthink is confident to provide customers with professional consulting services with high quality and effectiveness standard.

Apart from the foregoing, with a network of partners, domestic and foreign customers, government organization, non-government organization as well as enterprises and associations, etc., Vietthink not only provides customers with establishment and protection of IP rights but also connects the IP objects' owners with its networks to commercially exploit the registered IP objects in the most effective way.
